

Being There:
Social Saturdays

Mildred's Lane 2010

Rethinking modes of being in the world requires efforts in the form of collective and emergent event-based practices. We collaborate with Artists and their Projects, Artist Chefs from around the world in exercising our experiments in *Compartment and Generosity Projects* on Saturdays or Sundays. These are shared experiences in *workstyles* (any practitioner's everyday creative domesticating and inventive work in multiple combinations). We invite you to join us.

Mildred's Lane ongoing *Compartment and Generosity Projects* are free for our guests on Saturday and Sundays. Invitations for Events including Tours of Mildred's Lane Projects, Lectures by International Visiting Artists and Eventful Dinners are announced on our website calendar and must be requested by email each week. Reservation confirmations are based on available space for each event. A schedule for 2010 will be posted on the website.
